Your default publication ordering controls the order in which your publications are displayed on your profile and in your researcher badge.

Default publication ordering: Most cited

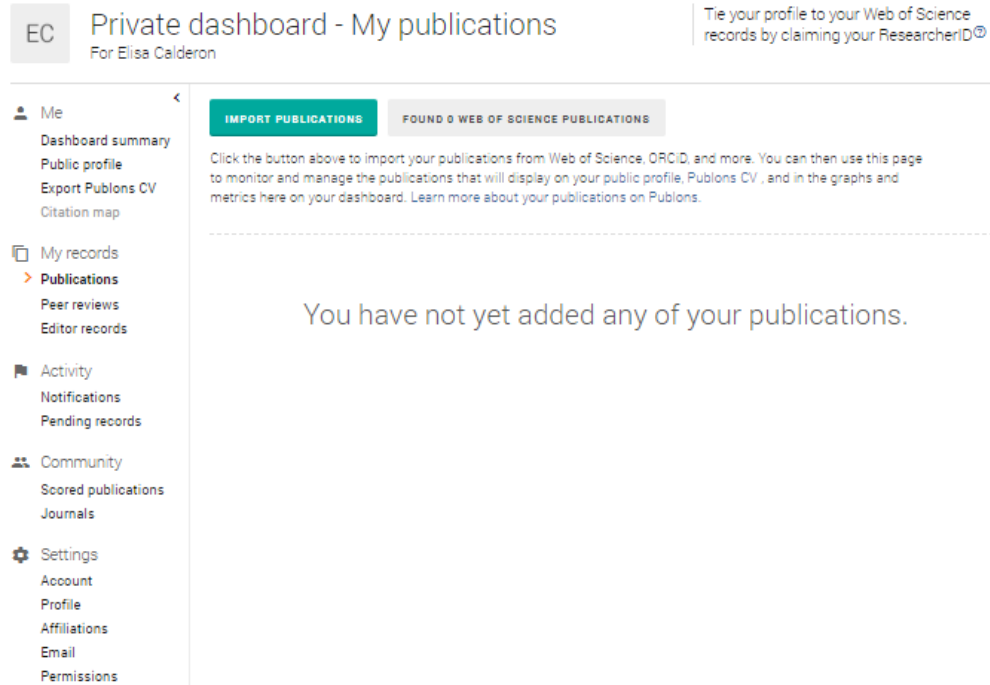

Metrics are displayed on your profile page and provide an overview of your publication and research activity. Displaying them makes your profile more page active, so removing Total Times Cited and h-index from the header section. Alternatively you can elect to hide only your Web of Science h-index.

5. Manejo del perfil:

The screenshot shows a web interface for a researcher profile. At the top, a breadcrumb trail reads "Researchers > rodrigo salinas". Below this is a header section with a blue-to-purple gradient bar. On the left is a circular profile picture containing the initials "RS". To the right of the picture is the name "rodrigo salinas" and a link to "Tie your profile to your Web of Science records by claiming your ResearcherID®".

Below the header is a navigation menu on the left with three items: "Summary" (selected), "Publications", and "Peer review". To the right of the menu is a "Research Fields" section with the text "You have not yet added any research fields to your profile. You can add fields here." and a button labeled "+ VIEW FULL BIO & INSTITUTIONS".
